Message from our Principal, Robert Loveland

Dear Cooper Academy at Navarro and Phoenix Middle College Parents and Students,

As principal of Cooper Academy at Navarro and Phoenix Middle College, it is my pleasure to welcome everyone back for another great in San Antonio ISD. We are excited to be working again with students for another successful year. Our mission is to help every child feel welcomed, connected, and safe. As many of you know we will be conducting classes virtually for the first three weeks of school. We will share all updates with you as soon as we receive them. We are asking that all students log-in to their teachers Canvas accounts to complete their assignments daily. Our students must attend a minimum of four hours per day of virtual learning. Please communicate with your student's teacher using campus email.
We hope that you utilize the campus and district websites. We will update the sites daily to ensure that you have the most recent updates, on-line tools, and training materials. Currently, training materials and "How to" documents are posted on both websites. Please check regularly. We hope that you will find our website helpful and informative.

If you have questions or concerns, then please contact campus administration at cooper@saisd.net. Additionally, we have a Twitter account (@SAISDCooperAcad) that we will use to send out updates and quick announcements as we go through the year.

I am excited and honored to serve as the principal of Cooper Academy at Navarro and Phoenix Middle College. I believe that it is a privilege to be a part of a community where parents, teachers and students work together, support and care for one another. Please feel free to contact me at (210)438-6810.

Regards,

Robert Loveland, Principal
