NEWS EXPLAINED IN 10 MINUTES <http://www.cnn.com/cnn10>

Directions: Read the following questions prior to viewing the CNN 10 news clip. You will first watch the video without taking notes. Next, you will have 3-5 minutes to share with an elbow partner your results. Try to make connections from one or more of your classes. Then you will have 3-5 minutes to record your responses. Once you have recorded your answers, be sure to complete the Exit ticket. Finally, be prepared to share your answers with the class.

1. What were the events/situations discussed in the clip?
2. Who were the events/situations about?
3. Why do think the events/situations took place?
4. Why is this events/situations news worthy?
5. Reflection: What's your opinion on one of today's top stories? Write a short summary:
(If you need more space please continue on the back.)
6. **Exit ticket (Link):** Find at least one article online that talks about one of the stories you watched today. Write the title of the article below and explain briefly how this article either expands or differs from what you learned on CNN 10 News.
(If you need more space please continue on the back.)

WORLDWIDE WEDNESDAYS!

Draw a star on the map where the event(s) took place.
