

Our Vision

At Elma Neal Elementary, we believe that passionate, highly-effective, reflective teachers partnered with an actively-involved community can motivate and support all learners in achieving their fullest potential. We are relentless in the pursuit of our mission to mold students who achieve social, emotional, and academic success and become self-motivated learners. Neal provides students with a multicultural education by intentionally incorporating learning experiences which reflect the diversity of our city. Our extracurricular offerings include Peer Mediation, Scouts, Choir, and Poetry/Book Club. These programs foster pupils' interest and creativity and provide a foundation for students to become empathetic, critical-thinking, problem solvers. Our school educated all students, providing dual language, bilingual, special education, and gifted and talented services to eligible students. We welcome all!

Positive Behavior Interventions & Support: Our Students Strive To...

Parent Involvement

Active PTA runs and organizes festivals, fundraisers, faculty/staff incentives, and parent volunteer assistance.

Our PTA has purchased school equipment. These items are paid for with money raised from Sweet and Sour sales after school and PTA-sponsored school dances.

Fourth grade students make corn husk dolls as part of a Texas History Unit.
