Faculty Workshop - Learning by Design: Active and Collaborative Learning in Higher Education

Dr. Julie Schell, Executive Director of Learning Design, Effectiveness, & Innovation, School of Design and Creative Technologies, College of Fine Arts, The University of Texas at Austin

Description:

To have a lasting impression, learning in our classrooms must be designed. In this session, we will explore established scientific findings on the critical role of active learning in the long-term retention of knowledge and the ability for students to use it in the future. The session will include a simulation of an easy to use a teaching method that incorporates these best-in-class, research-based approaches to active and collaborative learning.

11:45 am–1:00 pm Lunch (served in the Campus Center Cafeteria)

1:00 pm-2:15 pm – Heritage Room

Faculty Workshop Follow-up– Dr. Julie Schell

Participants will practice using the techniques discussed during the keynote.
