S. Alecozay	Social Studies		X		X
K. Mitchell	Social Studies	X	X		
H. Garcia	Spanish	X		X	

An "X" indicates the day(s) when teachers are available for tutorials. Students are reminded that they must sign in when they attend tutorials. Students MUST be physically or virtually present in a classroom with a teacher while tutorials are taking place. Students must not be unsupervised and are not allowed to loiter in the halls if they are in the building.

Students are reminded that they may attend tutorials with any teacher for any content and not just the teacher that teaches their class. Students may also set appointments for meeting with teachers apart from times listed here.

Dates listed are subject to change pending unforeseen teacher meetings or family emergencies.

***Any student with a grade of 80 or below in any class,
MUST attend tutorials!***

We are here to help you succeed!
