Activity:

This Monday there will NO SCHOOL due to the MLK Holiday on January 20th. Why do we celebrate this day?? Have students watch this short clip on how the day was established. Post the TOK question (above) after they watch the clip and have an open discussion as to what the logic could be in not all the states adopting the holiday.

After about 15-20 minutes of discussion, have students do a self reflection in their journals about their take on the question before and after the whole group discussion. Use possible sentence stems i.e. "At first my thoughts were.....now I feel/take the stance/believe....."
