TOPIC IDEA: *Tying in Learner Profiles & TOK*

Activity:

With the MLK holiday having just passed, most remember and recognize Dr. King's 'I Have Dream' speech. Have you ever heard his last speech?... "If I had Sneezed"
As students watch the video clip (little lengthy of ~8 min), have them think about what IB Learner Profile trait they feel Dr Martin Luther King Jr. displayed holistically. Pose the TOK question above and allow them to reflect on the learner profile they will identify most with as they reflect on the previous two TOK Thursday questions posed.
After about 15-20 minutes of discussion, have students do a self reflection in their journals about their take on the question before and after the whole group discussion. Use possible sentence stems i.e. "At first my thoughts were.....now I feel/take the stance/believe....."
