

Future Medical Professional Cereal Box Project

Have you ever found yourself in the cereal aisle in the grocery store? If you have - did you ever notice that Wheaties puts a lot of famous athletes on the front of their cereal boxes? In this project, you will be creating a new cereal and decorating a cereal box with the future medical career you wish to pursue. . You will devote each side of the cereal box to one section of the project. The directions for each section follow:

Cereal Box Front: Job Title, detailed picture or drawing of the professional at “work”, cereal title, your name. Picture of your cereal.

Side Panel One of the Box: Key Terms/Facts Game Include at least 10 key words or facts from your research Some sort of game to be played Provide the answers for the game Examples: crossword puzzle, word search, cryptogram, scrambled letters, etc.

Side Panel Two of the Box: Schooling, education, certification, requirements needed in order to become this professional.

Cereal Box Back: What does the professional do on a daily basis in other words what is their daily schedule? What supplies do they use? 5 Interesting facts. Pay?

Be creative and use lots of color, graphics, etc. to attract attention to your cereal box to draw the eye of potential consumers. BE READY TO PRESENT!!!

WINNER, WINNER, CHICKEN DINNER????

If you complete the assignment and present, you will be entered in a drawing to win a \$15.00 e-gift card to my favorite place: Starbucks!!!!
