

BUILDING PARTNERSHIPS

There are many opportunities at Davis for parents to volunteer and play a role in their child's education. Please consider joining our staff and fellow parents by volunteering for some of our events, attending our parent meetings, and attending our educational workshops.

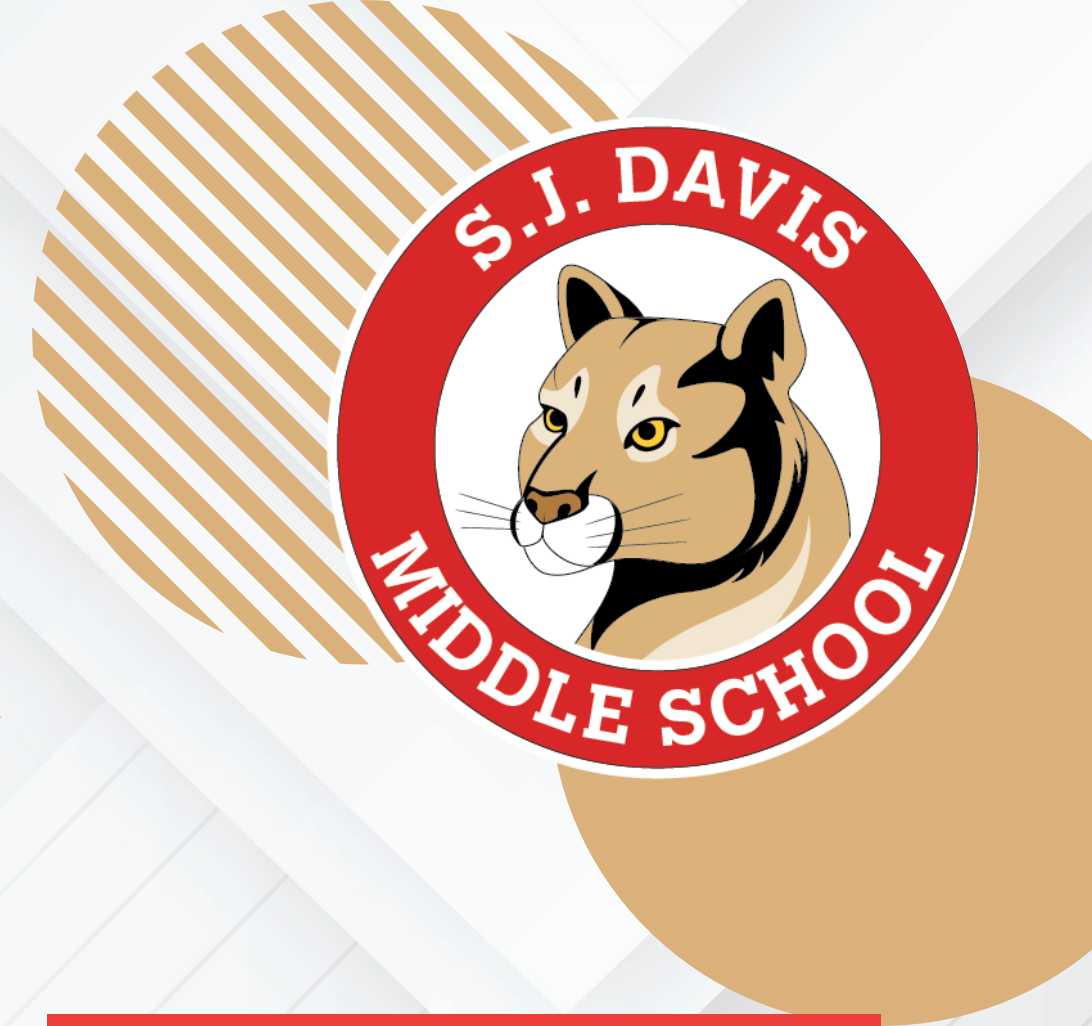

Davis recognizes the importance of frequent, consistent, and meaningful two-way communication with parents. Parent-teacher conferences, monthly newsletters, school social media, and Remind announcements are a few of the ways Davis will communicate with our parents.

**SCHOOL-PARENT
COMPACT 2023-2024**

WHAT IS A SCHOOL-PARENT COMPACT?

A school compact is a written agreement between a school, its parents, and students, students' success in school.

The compact explains what families and schools can do to make a connection for the student between the two worlds they live in, home and school.

Parents, students, and the school work together to create a group of ideas that can assist the students with realizing their potential. This becomes an agreement by all those involved in the child's education.

THE SCHOOL WILL:

- Create a partnership with each family
- Provide each student with assistance with academic difficulties
- Explain our approach to teaching expectations and grading system to students and families
- Teachers will continuously work on teaching strategies
- Provide a quality, challenging, and relevant curriculum that is student-centered and motivates students
- Provide frequent reports to parents on student progress
- Provide a safe, supportive, and effective school environment for students to learn and thrive

THE FAMILY WILL:

- Make sure my child comes to school on time, with the necessary materials, and remain until dismissal.
- Make sure my child follows school rules and dress code, the district's telecommunication policy
- Work collaboratively with the school to ensure student success.
- Let the school know if my child has any problems with the learning or learning environment
- Utilize Frontline Parent Portal to monitor attendance, grades, state assessment schedules, registration, and email teachers.
- Participate in decisions related to the education of my child
- Attend parent-teacher conferences, parent meetings, and school events

THE STUDENT WILL:

- Respect myself, teachers, staff, other students, and school property.
- Try my best and learn all that I can on the road to becoming a life-long learner
- Communicate with my teacher if I do not understand the classwork, so she/he can best meet my needs. I will ask for help when needed
- Share with my parents any problems in school, as well as my progress in school.
- Use self-control and demonstrate kindness in all challenges of mind and spirit.
- Make choices that reflect who I am based on the values I represent
- Follow school rules, dress code policy, and technology policy
- Work with school administration to help make Davis a better place for all
