  - *BIO/US History/ Algebra Tutoring*
- **May 17th**

Please be aware that seat time **adherence is mandated by the state.** If your child arrives late on three occasions, they will be required to make up one hour of seat time once they've exceeded the maximum allowable absences for a class period. In both Period 1 and Period 8, the maximum allowable absences, whether excused or unexcused, is nine. Once your child reaches this maximum limit, they will be required to make up both their excused and unexcused absences. For Periods 2 through 7, the maximum allowable absences, whether excused or unexcused, is four. When your child surpasses this limit, they must make up both their excused and unexcused absences.
