

ST. PHILIP'S COLLEGE ECHS

Welcome Back Parents

Welcome back! I am so excited that you and your student will be a part of our SPCECHS Tiger Family for the 2024–2025 school year.

Our top priorities for this school year are to enhance school culture; increase individual student attendance and performance; and increase the number of students attaining degrees and workforce certificates.

The SPCECHS faculty and staff is committed to providing rigorous instruction coupled with intentional support to ensure your student succeeds.

We are looking forward to working with you to make this year the best ever! School starts August 13, 2024, 8:30am–4:30pm.

Sincerely,
Mrs. Barrientes
Principal, St. Philip's College ECHS
