

VACCINE DRIVE INFORMATION

****IN ORDER TO BE VACCINATED STUDENTS ARE REQUIRED THE FOLLOWING:**

1. Completed forms (**No parent required to be present if forms completed**).
 - a. Page 1-2: Demographic, insurance information, and health screening questions.
(A parent/legal guardian signature is **REQUIRED** on page 2)
 - b. Page 3: IMMTRAC form, this gives us consent to upload vaccines given to the state registry.
(Signature is **REQUIRED** at the end of page)
 - c. If student is 18 years of age or older student must sign all forms.
2. Vaccine record (request from school nurse if needed).

****Things to know for day of event:**

1. Parents will receive a confirmation phone call 24 hours prior to event.
2. If students on campus and complete packet received, student will be pulled from class
(Please check with school nurse for class excuse)

****The following vaccines are strongly recommended. Please read information below and initial box if you choose for your student to receive any or ALL three vaccines below:**

Meningitis B (16 years and up):

- Vaccine not required by the state, however, required by certain universities.
- 62% of current cases of Meningitis are Meningitis B.
- 2 dose series; one now and one in 1 month.

HPV (9 years and up):

- Helps prevent infections that can cause cancer in both male and females
- Children ages 11–12 years should get two doses of HPV vaccine, given 6 to 12 months apart.
- HPV vaccines can be given starting at age 9 years.
- Children who start the HPV vaccine series on or after their 15th birthday need three doses, given over 6 months

Influenza (Flu):

- Everyone 6 months and older should get a flu vaccine every season, especially those with chronic illnesses such as asthma.
- Flu vaccination prevents illnesses, medical visits, hospitalizations, and deaths.

****Please contact your school nurse with any questions or concerns****

The Texas Immunization Registry (ImmTrac2) is a free service of the Texas Department of State Health Services (DSHS). The Texas Immunization Registry is a secure and confidential service that consolidates and stores your child's (younger than 18 years of age) immunization records.

Consent for Registration of Child and Release of Immunization Records to Authorized Persons/Entities. I understand that, by granting the consent below, I am authorizing release of the child's immunization information to DSHS and I further understand that DSHS will include this information in the Texas Immunization Registry.

State law permits the inclusion of immunization records for First Responders and their immediate family members in the Texas Immunization Registry. A "First Responder" is defined as a public safety employee or volunteer whose duties include responding rapidly to an emergency.

Please mark the box below to indicate whether your child is an IMMEDIATE FAMILY MEMBER of a First Responder. [] I am an IMMEDIATE FAMILY MEMBER of a First Responder.

By my signature below, I GRANT consent for registration. I wish to INCLUDE my child's information in the Texas Immunization Registry. Parent, legal guardian, or managing conservator:

Printed Name, Signature, Date

Privacy Notification: With few exceptions, you have the right to request and be informed about information that the State of Texas collects about you. You are entitled to receive and review the information upon request.

PROVIDERS REGISTERED WITH the Texas Immunization Registry: Please enter client information in the Texas Immunization Registry and affirm that consent has been granted. DO NOT fax to the Texas Immunization Registry. Retain this form in your client's record.
