

ESTRADA ACHIEVEMENT CENTER NEWSLETTER

April 2024

PARENT INFORMATION

April-Important Dates:

- 13th- Food Distribution at Sam Houston High School, 9am.
- 26th- No School. Battle for Flowers Parade.

Questions or need assistance? Contact:
Coach Mendoza at 210-438-6820, ext. 71025.

Student Attendance

Attendance is mandatory for every day that school is in session. A written excuse and relevant supporting documentation must be submitted to the attendance clerk within two school days of an absence for the absence to be excused.

A student who is absent earns zero points towards their exit goal during their absence and extra day(s) will be added for each day missed.

(Estrada Student/Parent Handbook, Pg. 3)

Estrada MISSION: Our mission is to instill in students a positive attitude toward school that exemplifies honor, dignity and respect for self and others.

New Steps to Re-enroll at SAISD

IMPORTANT NOTE:

Avela uses your previous Frontline contact information (phone number or email) for 2024-2025 student accounts. If you have changed your previous phone number or email, please contact your child's campus to update it BEFORE following the steps below to re-enroll.

1. Click on the Register for the 2024-2025 School Year button
2. Create an Avela account:
 - Use the same email or phone number associated with your child's Frontline account
 - REMINDER: You must use the same email OR the same phone number each time you login
3. Register each child in the family
4. Click Submit and you're done!

High Call Volume: March 5, 2024 | 4:30 PM

The Office of Access and Enrollment is available to support families with registration and acceptance of choice offers. We are currently receiving a high volume of calls. Families have multiple options to receive support. Please see the hours of support and methods below.

For immediate assistance, you can contact your campus or you can contact us at:

Empower Hotline: 210-244-0845 (Monday through Thursday from 8:00-8:00 p.m. and Friday from 8:00-4:30)

Office of Access and Enrollment Phone Line: 210-554-2660 (Monday through Friday from 8:00-5:00 p.m.)

Email: empowerfamilies@saisd.net or enroll@saisd.net

Text us At: 210-309-3259

*Messages will be returned within 24 hours.

- 22 Earth Day
- 22-26 National Specialized Instructional Support Personnel Appreciation Week
- 30 International Children's Book Day

Knowledge

IS POWER!

STUDENT HEALTH

Sick Day Guidelines

Our goal is to give you these guidelines to reduce the spread of communicable diseases at school and provide a safe and healthy environment for all students. The following guidelines will help you decide whether you should send your child to school or to keep your child at home. As always, the utilization of proper hand washing, and cough etiquette will help reduce the spread of disease.

The following information does not take the place of consulting a medical provider. If your child is ill, you may need to discuss symptoms with your child's physician to determine if an office visit is warranted. Parents may be required to provide a doctor's note stating the child is able to return to school for certain conditions.

Fever If your child has a temperature of 100.0 F or higher with no fever-reducing medications given, they should remain at home. We strongly recommend you not give your child fever-reducing medication and then send them to school. The fever will probably return during the school day.

Vomiting and/or Diarrhea A child with three or more episodes of loose, runny stools in a 24-hour period should remain at home. If vomiting and/or diarrhea are accompanied with a fever, keep the child at home and consult a physician.

Runny Nose & Coughing Allergy symptoms such as stuffy nose with clear drainage, sneezing and mild cough should be addressed with a school nurse and require documentation from a physician stating such allergy symptoms which may be normal for your child. However, if the cough is persistent or productive and/or accompanied with thick or constant nasal drainage, the child should be kept at home.

Sore Throat Sudden onset of a significant sore throat pain when swallowing accompanied with fever may indicate a doctor's visit.

Again, these guidelines are designed to assist you in the decision-making process as to whether to send your child to school. Your child's physician office will assist you to determine if your child needs to be seen by a medical provider.

Contact your school nurse with any questions.
