UNITED WAY
Eastside Family Resource Center

in partnership with DePelchin Children's Center

Designed with the Community, for the Community.

The United Way Eastside Family Resource Center (FRC) will be a community-based welcoming hub of support services and opportunities for families.

United Way of San Antonio and Bexar County is working together with DePelchin Children's Center and a Parent Advisory Committee (PAC) to create a space tailored to the needs of San Antonio's Eastside. We believe together, we can create a FRC that is designed to support families. The United Way Eastside FRC will serve families with children ages 0-10 years old who reside in zip codes 78219 and 78220.

The United Way Eastside Family Resource Center will offer:

- Family support programs
- Parent Café to host peer-to-peer support groups
- 1-on-1 resource navigation
- Family engagement events and activities

To learn more, use the QR code or visit: uwsatx.org/FRC

Join the Eastside Parent Advisory Committee (PAC)!

Lend your lived experience and expertise to ensure the space, programs and activities at the FRC are developed to respond to the specific needs, cultures and interests of the community.

Who can join?

- Parents, grandparents and kinship caregivers who:
- Have children in their household 0 - 10 years old
 - Reside in zip codes 78219 and 78220

For more information or to join our PAC, contact Emily Lopez at elopez@depelchin.org.
