Questions or need assistance? Contact:

Coach Mendoza at 210-438-6820, ext. 71025.

Student Attendance

Attendance is mandatory for every day that school is in session. A written excuse and relevant supporting documentation must be submitted to the attendance clerk within two school days of an absence for the absence to be excused.

A student who is absent earns zero points towards their exit goal during their absence and extra day(s) will be added for each day missed.

(Estrada Student/Parent Handbook,Pg. 3)

Estrada MISSION: Our mission is to instill in students a positive attitude toward school that exemplifies honor, dignity and respect for self and others.

Parent Assistance

We need your Support

Student Dress Code

The dress code for students must be strictly adhered to:

- Solid colored athletic shoes w/ laces
- Solid black, white or grey socks
- Kaki pants. If the pants have belt loops a black or brown belt must be worn.
- Estrada Grey Polo. Shirt must be tucked in at all times.

(Estrada Student/Parent Handbook, Pg. 4)

Late Arrivals

It's a bad habit

- **Students must be on the campus by 8am for morning attendance, intake and breakfast.**
- **Being late interrupts the attendance process, which is our way of ensuring your student is safe and on campus.**

Please encourage the healthy habits of responsibility and accountability. These habits will put your student ahead of their peers and allow them to excel in there future work place.

Parent Feedback

Share your parent point of view or recommendations for improvement with your Family and Community Engagement (FACE) Specialist at: Email- mmendoza10@saisd.net or call- 210-438-6820, ext. 71025.

We thank you for your efforts!

Families effected By Rightsizing

STUDENT SUPPORT **Empower Plan**

FAMILIES IMPACTED BY RIGHTSIZING

San Antonio ISD is committed to ensuring that every family is transitioned to their new campus seamlessly and cared for throughout

Student Enrollment Options

Each family will be provided with a newly assigned home campus, recommended by the District. Families can also choose from the options below to find their best fit.

OPTION 1 DISTRICT ENROLLS

Family elects to attend the newly assigned home campus

OPTION 2 PARENT APPLIES TO A SAISD CHOICE SCHOOL

Family elects not to attend the newly assigned home campus and applies for an SAISD Choice School/Magnet Program during the application window (Dec. 1 - Feb. 15).

OPTION 3 PARENT REQUESTS A TRANSFER

Family elects not to attend the newly assigned home campus or Choice School option and elects to attend a different SAISD school

STUDENT HEALTH

Sick Day Guidelines

Our goal is to give you these guidelines to reduce the spread of communicable diseases at school and provide a safe and healthy environment for all students. The following guidelines will help you decide whether you should send your child to school or to keep your child at home. As always, the utilization of proper hand washing, and cough etiquette will help reduce the spread of disease.

The following information does not take the place of consulting a medical provider. If your child is ill, you may need to discuss symptoms with your child's physician to determine if an office visit is warranted. Parents may be required to provide a doctor's note stating the child is able to return to school for certain conditions.

Fever If your child has a temperature of 100.0 F or higher with no fever-reducing medications given, they should remain at home. We strongly recommend you not give your child fever-reducing medication and then send them to school. The fever will probably return during the school day.

Vomiting and/or Diarrhea A child with three or more episodes of loose, runny stools in a 24-hour period should remain at home. If vomiting and/or diarrhea are accompanied with a fever, keep the child at home and consult a physician.

Runny Nose & Coughing Allergy symptoms such as stuffy nose with clear drainage, sneezing and mild cough should be addressed with a school nurse and require documentation from a physician stating such allergy symptoms which may be normal for your child. However, if the cough is persistent or productive and/or accompanied with thick or constant nasal drainage, the child should be kept at home.

Sore Throat Sudden onset of a significant sore throat pain when swallowing accompanied with fever may indicate a doctor's visit.

Again, these guidelines are designed to assist you in the decision-making process as to whether to send your child to school. Your child's physician office will assist you to determine if your child needs to be seen by a medical provider.

Contact your school nurse with any questions.

| 21 | World Religion Day |
| 27 | International Holocaust Remembrance Day |

McKinney-Vento is a federal law that provides services to families and unaccompanied youth that live in a temporary situation due to loss of housing.

- McKinney Vento Eligibility:**
- Living in shared housing due to loss of housing, economic hardship, or similar reason.
 - Living in motels, hotels, trailer parks, cars, substandard housing, abandoned buildings, and/or campgrounds.
 - Living in emergency or transitional shelters.
 - Being an unaccompanied youth (not living with a parent or guardian) living in a temporary situation.
 - Being a migratory child who is living in any of the above circumstance.

McKinney-Vento

If you find yourself living in a temporary situation, the McKinney Vento Program will assist your child in continuing their education by:

- Immediately enrolling your child while the school obtains school records.
- Automatically qualifying your child for free lunch.
- If eligible, obtaining school bus transportation or bus tickets.
- Providing uniform and school supplies assistance upon availability

Offer referrals to the community.
