

STEM

OWLS

STEM COURSES

Take rigorous STEM courses with high-tech equipment and student-centered curriculum.

STEM CLUBS

Choose from 3 STEM clubs: Cyber Patriot, FIRST Robotics, and ACE Architecture, Construction, & Engineering Mentor Program.

INTERNSHIPS

Apply for paid internships. STEM Owls have worked for CPS Energy, Jungle Disk, Pape-Dawson Engineers, and Southwest Research Institute!

COLLEGE PREP

Attend college visits and join featured college-prep clubs including UT Outreach and Upward Bound Math & Science.

CAREER SUCCESS

Explore careers and develop professional skills with job-shadow days, guest speakers, resume support, and more!
