

**6 Things**  
**From *1984***  
**By George Orwell**

As you read George Orwell's *1984*, please complete the following to show a deepened engagement with the text:

- 6** Define 6 unfamiliar vocabulary terms. Write the word in the sentence, fragment, or line in which it appears in the text. Include a page number and/or line number. Highlight any context clues. Paraphrase the meaning. Include a visual representation to demonstrate your comprehension.
  
- 5** Record the 5 most significant words and phrases in the text. Using a short paragraph for each, explain why your selected these words and phrases. Be sure to cite a page and /or line number.
  
- 4** Generate 4 high-level questions about the text. Design your questions to engage the author's "big ideas" or the writer's suggestions and comments about humanity.
  
- 3** Record the 3 most meaningful quotes or passages from the text. Include a page and/or line number. Compose a high-quality paragraph for each, explaining why you judged this quote or passage so meaningful. Consider author's craft, style, and theme as you justify your choices.
  
- 2** Identify the 2 most important images, archetypes, and /or symbols. Include a caption and a page and/or line number for each. In two beautiful sentences, rationalize your choices. Construct one sentence for each.
  
- 1** Compose 1 list of The Top 6 Things to Know About the Text. Cite a page and/or line number for each item that makes your list. Be prepared to rationalize your judgments in an oral assertion.

These activities should be typed using MLA formatting, which includes a Works Cited page. You will receive a project grade for this work. Should you have any questions, please email me at [kcantu@saisd.net](mailto:kcantu@saisd.net).

These activities are due the first day of classes.
