The Campus Advisory Council (CAC) periodically meets to conduct a Comprehensive Needs Assessment, review and revise the improvement plan, and monitor the implementation of the plan. The CAC during the Comprehensive Needs Assessment takes into account information on academic achievement of children in relation to the state academic standards, particularly the needs of those children who are failing, or are at risk of failing, to meet the challenging state academic standards and any other factors as determined by the campus. [ESSA Sec. 1114(b)(6)]

CNA Development Dates	Meeting Topics and Actions
Meeting #1 April 10, 2023	Prior established subcommittees were assigned one of the four components (Demographics, Student Learning, School Processes, and Perceptions). Committees collaborated using a Google Doc to write summaries after reviewing data for their assigned components.
Meeting #2 May 8, 2023	After reviewing summaries and providing feedback to each of the committees, the CAC developed and added problem statements and root causes to the shared Google Doc.

How was the CIP summative evaluation from the previous year used to determine effectiveness and inform decisions for the current year?

The CAC separated the 2022-2023 CIP by components, and subcommittees reviewed assigned portions of the previous CIP. After reviewing the 2022-2023 CIP and its attendant progress checks, committee members looked at current data to compare and make adjustments.

- On the 2023 STAAR, 64% of Whittier students performed at the approaches level in reading, and 43% of Whittier students performed at the approaches level in math.
- Whittier faculty would benefit from differentiated and targeted professional development. Such focused training would help experienced faculty members continue to grow in curriculum knowledge and application while allowing newer, less-experienced faculty to receive necessary support and mentoring.

The CAC will use the Four Multiple Measures of Data to analyze data to determine gaps and causes of those gaps.

Data Determinations

In 2023, Whittier Middle School has an enrollment of approximately 750 students (250 in 6th grade, 242 in grade, and 256 in 8th grade). 52% of our current population is male, and 48% is female. 97% of Whittier's students are Hispanic, and less than 1% are African American, White, and Native American Indian. Our students' families speak primarily Spanish and English in their homes. Significant Whittier demographic statistics include the following: 92% of Whittier students are identified as Economically Disadvantaged, 74% are At Risk, 41% are LEP, 5% are ESL, 17% are Special Education, and 11% are GT.

The CAC will use the Four Multiple Measures of Data to analyze data to determine gaps and causes of those gaps.

Student Learning (Minimum 2 Areas)

Assurances and Approval Information

Assistant Superintendent Assurance

As Assistant Superintendent for this campus, I will provide or facilitate the necessary district-level support mechanisms to support the principal in successfully implementing this Campus Improvement Plan. I also understand I am responsible for ensuring the principal carries out the plan elements as required by ESSA Title I and State Compensatory Education (SCE) guidelines.

Campus Principal Assurance

As principal for this campus, I will coordinate with my Assistant Superintendent to use district-provided services and support mechanisms to successfully implement the Campus Improvement Plan. I understand I am responsible for fulfilling all ESSA Title I and State Compensatory Education (SCE) requirements. I agree to carry out the plan elements as indicated herein.
