San Antonio Independent School District

Title 1 Parent Involvement Policy 2023-2024

Fenwick Academy recognizes that families are a major influence on their children's academic achievement and throughout their lives. Recognizing the contributions supportive adults involved in the school will make, the administration, teachers, and staff are committed to parent involvement and encouraging parents to become our partners in developing successful students.

For the Fenwick Academy community, parental involvement means the participation of parents in regular, two-way, meaningful communication involving student academic learning and other school activities, including ensuring that parents:

- are encouraged to be actively involved in their child's education at school; and
- are full partners in their child's education including decision making, assisting in the student's learning and in the CAC Advisory committee.
