

Dress Code and Uniform Expectations

Our uniform policy reinforces our school's aim to develop the character, discipline and leadership of young men. Uniform's establish an environment conducive for distraction free learning while setting us apart from other schools and instilling a sense of pride and brotherhood.

Uniforms may only be purchased from one of the district approved uniform vendors. (We also have an abundance of gently used uniforms available on campus for student use.) ***These are the only authorized uniform dealers for YMLA.***
